

PlumbMaster, Inc.

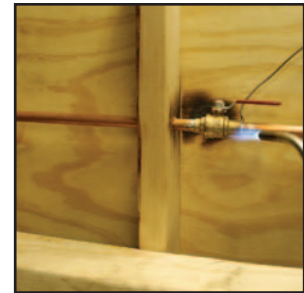

NEW PRODUCT

Cool Gel™ Heat Barrier Spray

- Helps prevent heat damage to components and surrounding materials during soldering, brazing and welding
- Saves time by eliminating the costly disassembly of valves and other components before soldering, brazing or welding
- Unique gelling formula sticks to surfaces, without dripping or running off
- Clear, non-staining gel normally dissipates within 24 hours leaving no residue, eliminating cleanup
- Safe, non-toxic, odorless and harmless to skin
- Do Not Let Freeze
- Sold Individually
