TAMPER-PROOF TOOLS & SCREWS

The UN-DO-IT® One-Way Screw Remover

- Removes Tamper-Proof Screws from Toilet Partitions, Locks, Security Hardware, Fixtures, Fittings, Assemblies, Components and Various Installations
- Eliminates Drilling, Pounding, Pulling or Chiselling that Causes Costly Hardware Damage
- Works Like an Ordinary Screwdriver
- Exclusively Formulated Tungsten Carbide Tips are Designed for Maximum Holding Power Until Screw is Removed
- Available in Three Sizes to Fit All One-Way Screws

Tungsten Carbide Tips

Cat. No. 63820 For Screw Sizes 4-6-8 (OEM Ref. No. UN804)

Cat. No. 63821 For Screw Sizes 10-12 (OEM Ref. No. UN807)

Cat. No. 63833 For Screw Sizes 14-24, 1/4-3/8 (OEM Ref. No. UN810)
