NEW PRODUCT

RECYCLEPAK® Containers

RECYCLE LAMPS, BATTERIES AND MERCURY WASTE

1 Order

Select the RecyclePak® container(s) that best suit the recycling needs of your facility.

2 Recycle

When you receive your RecyclePak® container(s), simply follow our step-by-step illustrated instructions to properly assemble your container(s). Carefully, fill your container(s) with the appropriate waste items to be recycled in accordance with the instructions.

3 Seal

Follow the instructions to properly seal the container. Pail lids should be screwed and locked on and boxes should be taped to secure all edges and corners.

4 Ship

Call FedEx Ground toll-free at (888) 777-6040 to schedule your pre-paid pickup of your container.

5 Record

Upon receipt of your container, it is scanned and recorded. A certificate of acceptance for recycling is generated and mailed to you. Contact PlumbMaster or your local representative to reorder.

NOTE: RecyclePak® is not available in AK, HI, PR, VI.

Why Recycle?

Recycling lamps, batteries and mercury waste turns materials that would otherwise become waste into valuable resources. Recycling conserves our natural resources, it saves money, creates jobs, eliminates waste in landfills, reduces harm to the environment, protects human health and saves energy.

PlumbMaster, Inc.
