

PlumbMaster, Inc.

NEW PRODUCT

Full-Port Ball Valves

- Two Piece Forged Brass Body Out Performs Cast Body, Resulting in More Years of Reliable Service
- Seals Are Teflon®, Which Withstands High Temperatures and Pressure, While Providing a Better Seal
- Includes Lock Washer on Handle, Which Prevents Handle From Loosening
- Unique Reversible Handle Is Preferred by Professional Plumbers and Maintenance Engineers Because It Allows for Installation Corrections and Eliminates Problems Caused by Tight Areas
- Extensive Selection Includes Both Threaded (IPS) and Copper/Solder (SWT) Connections in Sizes from 1/4" to 2"
- Rated at 600 WOG, 150WSP
- NSF-61 Compliant
